TOTALS

Item	Amount
Subtotal	\$2,737.00
Notions and rigging	\$170.00
Invoice total	\$2,907.00

WORKROOM NOTES

The full build remains within the \$4,800 costume budget agreed for the production. Quick change closures were tested under ninety seconds in the stage left wing. No loose beading sits near the floor work. Costumes are built to survive eight performances and a dress rehearsal.

Please remit within thirty days of the invoice date. Thank you for another beautiful show. A late balance accrues no fee within the standing workroom agreement.
