BILLING SUMMARY

Item	Amount
Total charges	\$283.00
Insurance adjustment	-\$198.10
Patient responsibility	\$84.90

PLAN OF CARE

The custom ankle brace is to be worn during teaching as a preventive measure. The home program is theraband eversion and inversion, fifteen repetitions each, performed slowly and controlled. The plan was reviewed with the patient and, conveniently, his spouse.

This statement reflects charges after insurance. Please remit the patient balance within thirty days. Questions on coverage should be directed to billing.
