

The Dance Floor

Monthly notes from Michelle • December 2026

Hello, dancers

What a fall. The showcase in October was the best one we have put on. Thank you to every family that filled those seats and every dancer who trusted the choreography. "Open Window" is now part of our repertoire, and we are not done with it yet.

Winter Intensive

Three Saturdays, December 5, 12, and 19, intermediate and advanced. Same 11 AM start, prep at 10:30. We will clean up the showcase material and start building toward the new year. Bring layers and the indoor shoes.

Holiday schedule

No classes December 24 to 26 or January 1. Regular Tuesday and Thursday classes resume the first full week of January. The Saturday open class continues except over the holiday weekends.

A small thank-you

Twelve years of teaching and this community still surprises me. Whatever your winter holds, keep moving when you can, even a kitchen-counter eight-count counts. See you on the floor.
