Assisted living and memory care

Resident Care Update

Prepared for the family of Ruth Crawford. Shared with Nancy Crawford and Devon Crawford, listed contacts.

Resident	Ruth Crawford
Date of birth	January 30, 1942
Unit	Garden Wing, Room 118
Care level	Assisted living with memory support
Update period	The three months to early October 2026
Update date	October 9, 2026

Summary

Ruth continues to do well in the Garden Wing. Mild short-term memory changes remain stable. She joins the morning music hour most days and enjoys the courtyard when the weather is mild. Appetite is good. She speaks often and warmly of her children, Nancy and Devon, and looks forward to the Sunday phone calls.

Health and medication

Routine medications unchanged. Blood pressure stable. A flu vaccination was given on October 2, 2026. The next family care conference is offered for January 2027, near her birthday on January 30.

Questions are welcome at (860) 555-0155. Thank you for entrusting Ruth's care to us.
