

# Reading List

My running list. Physical copies from the university library, Kindle on my phone for the late nights. One or two books a month when school lets me.

## Currently reading

The Reef's Memory by Lila Akana. Library copy on the desk, Kindle version for bed. Marine biologist goes back to a reef she studied a decade ago. Hits close to home.

## Checked out right now

The Outermost House by Henry Beston  
The Sea Around Us by Rachel Carson  
Tom Lake by Ann Patchett, the one novel in the stack

## Up next

Braiding Sweetgrass by Robin Wall Kimmerer  
The Log from the Sea of Cortez by John Steinbeck, for the Baja daydream  
Why Fish Don't Exist by Lulu Miller

## Finished lately

The Soul of an Octopus by Sy Montgomery. Mailed my copy to Anders.  
*Note to self: stop buying books faster than I read them. The library is free.*
