RE: In-School Deferment Confirmation
Account Number: Ending 7731

Dear Alexandra M. Santos,

This letter confirms that we have processed and approved an in-school deferment on your federal Direct Loan account. Your deferment has been applied based on enrollment information certified by your school showing that you are enrolled at least half time.

DEFERMENT DETAILS

Loan Program: Federal Direct Loans
Account Number: Ending 7731
Total Principal Balance: \$24,180.00
Deferment Type: In-School Deferment
Deferment Status: Active
Reason: Enrolled at least half time

While this deferment is active, you are not required to make payments on the loans listed under this account. Your federal Direct Subsidized loans will not accrue interest during the deferment period. Any Direct Unsubsidized loans will continue to accrue interest, which you may choose to pay during deferment to avoid capitalization.

NEXT REVIEW

Your eligibility for continued in-school deferment will be reviewed on January 15, 2027. Your school is expected to recertify your enrollment through the National Student Clearinghouse. If we do not receive updated enrollment information confirming at least half-time status, your deferment may end and your loans may return to repayment.

WHAT YOU SHOULD DO

You do not need to take any action at this time. If your enrollment status changes, or if you drop below half-time enrollment, please notify us as soon as possible so we can update your account.

You can view your loan details, deferment status, and enrollment information by logging in to your account at www.mohela.com.

If you have questions, please contact us at 1-888-555-0801,

Monday through Friday, 7:00 a.m. to 9:00 p.m. Central Time.

Sincerely,
