Getting in and parking

Street parking only, free after 6 PM and on weekends. The hill is steep, wear good shoes.

Front door sticks a little, lift and push.

Trash and recycling

Bins are behind the house. Collection is Thursday mornings, so wheel them out Wednesday night.

Recycling is the blue bin, no glass.

Roommates

Marisol and Joon live here too. They are friendly, the kitchen is shared, help yourself to coffee.

Quiet hours after 10 PM on weeknights since we all have early mornings.
