Diabetic Retinal Screening Report
4120 SW Corbett Ave, Portland, OR 97239 | (503) 555-3380

Patient	Ayumi H. Meade
Date of Birth	November 12, 1975
MRN	CEA-22119
Referring Provider	Dr. Linda Hayashi, MD
Examining Optometrist	Dr. Howard Lin, OD
Date of Exam	November 18, 2025
Reason	Annual diabetic eye screening

Findings

Assessment	Right Eye (OD)	Left Eye (OS)
Visual Acuity, corrected	20/20	20/25
Intraocular Pressure	15 mmHg	16 mmHg
Diabetic Retinopathy	None detected	None detected
Macular Edema	Absent	Absent
Optic Nerve	Healthy	Healthy

Impression and Plan

No evidence of diabetic retinopathy in either eye. Results are clear. Given well controlled to moderately controlled type 2 diabetes, continue annual screening. Next screening recommended November 2026. A copy of this report has been sent to Dr. Hayashi at Riverview Family Health Center.
