## Plan Summary and Benefits

Plan year 2026

|                 |                                       |
|-----------------|---------------------------------------|
| Member          | Clara Maria Leon                      |
| Medigap plan    | Sunstate Health Mutual Medigap Plan G |
| Policy number   | SHM-G-55180273                        |
| Medicare number | 1EG4-TE5-MK72                         |
| Effective date  | January 1, 2026                       |
| Monthly premium | \$168.00                              |

### How Your Coverage Works

Original Medicare (Part A and Part B) pays first for covered services. Your Medigap Plan G then pays most of the costs Medicare leaves, including coinsurance and copays, after you meet the annual Part B deductible. Together with the Medicare Part B premium, this Medigap coverage is the core of the health insurance budget tracked in workbook X01.

### Benefit Highlights

| Benefit                     | Plan G Coverage                             |
|-----------------------------|---------------------------------------------|
| Part A hospital coinsurance | 100 percent                                 |
| Part B coinsurance or copay | 100 percent after Part B deductible         |
| Part A deductible           | 100 percent                                 |
| Skilled nursing coinsurance | 100 percent                                 |
| Part B deductible           | Not covered (member pays annual deductible) |
| Foreign travel emergency    | 80 percent to plan limits                   |

### Premium and Payment

| Item                                       | Amount   |
|--------------------------------------------|----------|
| Medigap Plan G monthly premium             | \$168.00 |
| Medicare Part B premium (paid to Medicare) | \$185.00 |
| Combined Medigap and Part B premium        | \$353.00 |

Premiums are drafted from the Coastal National checking account ending 3071 on the first of each month. The health insurance line in workbook X01 of about \$380 also includes a separate dental plan.
