Goals and Targets

- Cross the next masterpoint threshold and stay on the Life Master track.
- Finish top three in the spring open pairs.
- Add one monthly sectional when the schedule allows.
- Convert more of the close decisions; the percentages are there.

Schedule and Logistics

- Keep the Tuesday and Thursday rhythm with Arthur driving.
- Hold the calendar around family visits and quarterly reviews.
- Bring results back to study within a day, while the boards are fresh.
- Confirm partnership availability before each sectional entry.
