February 10, 2026

To Whom It May Concern:

This letter confirms that Danielle Perry has been employed by Heartland Mechanical Services since February 12, 2018. Her current position is Senior HVAC Technician. She works full-time, Monday through Friday, averaging 40 hours per week with seasonal overtime available during peak demand periods.

Her current annual base salary is \$52,000.00. Her employee identification number is HMS-2018-0247.

Ms. Perry is a valued member of our service team with expertise in commercial rooftop units, chillers, walk-in coolers, and ice machine systems. She holds EPA Section 608 Universal Certification and NATE certifications in Ice Machine Installation and Commercial Refrigeration.

If you require additional information, please contact our office at the number above.

Sincerely,

Frank Nowicki
Service Manager
Heartland Mechanical Services
