

Cedarbrook University

School of Nursing, Midterm Grade Report

Course: NURS 2200 Pharmacology, Section 02

Term: Fall 2025

Instructor: Dr. Raymond Estes

Report Date: October 14, 2025

Student: Hassan Jerome Blanchard

Student ID: 100482237

Graded Work to Date

Assessment	Date	Score	Out of
Quiz 1, drug classifications	09/05/2025	17	20
Quiz 2, pharmacokinetics	09/19/2025	15	20
Dosage calculation set	09/26/2025	44	50
Midterm exam	10/10/2025	78	100

Current standing: 81 percent, letter grade B minus.

Instructor Comment

Hassan, your dosage calculation work is solid and your quiz scores are steady. The midterm cost you points on the cardiovascular drug section, so review beta blockers and diuretics before the next unit. Your trend is fine for the 3.0 goal if you keep the calculation accuracy up. Office hours are open if you want to walk through the missed items.
