Balance verification

This confirms that as of 2026-10-31 the named account holder maintains the deposit relationship summarized above in good standing, with no overdraft during the period. Monthly take-home income tracked against the household plan is consistent with the budget workbook coded X01. Annual gross income across both employers is \$64,000.00, which divides to a steady monthly figure used for the household plan. This letter may be presented for tenancy renewal (see P02).

Banking officer signature on file. Member FDIC. This is a system-produced statement and does not require a wet signature.

Disclosures and account terms

Interest on savings accrues daily and is credited monthly. The standard checking account carries no monthly maintenance fee while a qualifying direct deposit posts each statement cycle. Overdraft protection links the savings account; no overdraft transfers occurred during this cycle.

Error resolution

In case of errors or questions about electronic transfers, telephone the number on the front of this statement or write to the Maryland consumer banking address within sixty days of the statement date. Provide the account number, a description of the suspected error, and the dollar amount. The bank will investigate and report results within the periods required by Regulation E.
