
Charter and Commercial Vessel Liability, Policy Summary

This summary describes the coverage in force for the F/V Bay Runner under policy TMI-CHTR-55821. It is a plain-language overview. The full policy wording governs in the event of any conflict. Keep this summary with your vessel documents and provide a certificate to charter clients on request.

1. Named Insured and Vessel

Named insured	John W. Singleton (Jack), owner-operator
Vessel	F/V Bay Runner, 42 ft deadrise
Use	Commercial crab harvest and licensed passenger charter
Passengers	Up to 6 on charter, USCG six-pack
Operator license	USCG Master 100GT No. 4418827
Home port	Slip 47, Annapolis City Marina

2. Coverage Limits

Coverage	Limit	Deductible
Protection and indemnity	\$1,000,000	\$2,500

Passenger legal liability	\$1,000,000	\$1,000
Pollution liability	\$500,000	\$5,000
Medical payments, guests	\$25,000	None
Crew, Jones Act coverage	\$500,000	\$2,500

3. What Is Covered

- Bodily injury and property damage to third parties arising from vessel operation.
- Charter passenger injury during half-day and full-day trips booked through Chesapeake Charter Connection.
- Hull physical damage from collision, grounding, fire, and heavy weather.
- Crew injury under Jones Act and maintenance and cure for Tommy Novak, D.J. Johnson, and Mike Rawlings.
- Wreck removal and statutory pollution response up to the stated limits.

4. What Is Not Covered

- Operation outside the navigational limits of the Chesapeake Bay and its tributaries.
- Charter trips carrying more than six passengers for hire.
- Wear, tear, and gradual deterioration of machinery, addressed under maintenance log X09.
- Loss while the vessel is operated by an unlicensed master.
- Intentional acts and operation under the influence.

5. Navigational Limits

Coverage applies on the Chesapeake Bay north of the Maryland and Virginia line and its navigable tributaries, including the Severn, the South, and the West rivers. Trips outside these waters require prior written endorsement. The summer charter program operates June through August and the commercial crab program April through November, both inside these limits.

6. Premium and Payment

Item	Amount
Annual premium	\$8,640.00
Monthly installment	\$720.00
Installment fee	Waived, auto pay
Account	Annapolis Maritime Bank business checking

The monthly premium of \$720 is reflected in household budget workbook X03 under boat and charter liability. Payment is by automatic draft on the first of each month.

7. Claims and Contact

Claims line, 24 hour	(800) 555-0199
Policy service	(410) 555-0288
Producer	Tidewater Marine Insurance Group
Certificate requests	Same business day on charter days

8. Conditions

The insured must maintain the vessel in seaworthy condition, hold a current USCG master license and DNR commercial license, and report any material change in use. The most recent condition survey, report MW-2025-0418, is on file and supports the agreed hull value. Annual renewal requires an updated survey every two years.

This document is a summary for the insured record. Refer to the full policy wording for binding terms and conditions.

Appendix. Charter Day Risk Checklist

Run this checklist before every charter trip. It supports the passenger liability coverage and ties to the crew safety procedures in handbook D02.

- Weather and small craft advisory checked before departure.
- Passenger count six or fewer, all briefed on PFD location.
- Safety gear verified per survey MW-2025-0418.
- Float plan left with Bridget or the marina.
- Certificate of insurance available on request.
