Re: 2025 SEP-IRA Contribution Confirmation

Account: ALP-IRA-JP-4821 (SEP-IRA)

Dear Jesse,

We are writing to confirm receipt of your SEP-IRA contribution designated for tax year 2025. The details of this contribution are summarized below.

Account Number:	ALP-IRA-JP-4821
Account Type:	SEP-IRA (Simplified Employee Pension)
Contribution Amount:	\$7,500.00
Tax Year Designated:	2025
Contribution Date:	January 15, 2026
Prior Account Balance (before contribution):	\$14,500.00
Account Balance After Contribution:	\$22,000.00

Additional Information

Based on your reported net self-employment income for tax year 2025, the estimated maximum SEP-IRA contribution allowable under IRS rules (25% of net self-employment income, up to the annual cap) is approximately \$8,100.00. Your current contribution of \$7,500.00 leaves a remaining contribution capacity of approximately \$600.00 for tax year 2025.

You may make an additional SEP-IRA contribution for tax year 2025 up to your filing deadline, including any applicable extensions. We encourage you to consult with your tax advisor to confirm the exact maximum contribution amount based on your final 2025 net self-employment income before making any additional contributions.

To make an additional contribution, log in to your Alpaca account at alpaca.markets or contact our Retirement Services team at (800) 555-0282.

Sincerely,
