

Cumberland State University, Academic Advising

Advising Session Summary and Registration Plan

Student: Nicole Abena Pfeiffer ID: 00582319 Major: Biology

Adviser: Professor Diane Holloway Meeting date: October 26, 2026

Summary

We met to clear the registration hold before spring enrollment opens on November 2. The hold is now released. We reviewed progress toward the biology degree and talked through the summer research option, which Nicole is strongly considering instead of a heavier summer course load.

Planned spring 2027 courses

Course	Title	Credits	Notes
BIO 221	Cell Biology II	4	Continues the BIO 220 sequence
CHEM 302	Organic Chemistry II	4	Required for the major
BIO 230	Ecology	3	Aligns with the Holloway lab interest
CLST 260	Folklore and Narrative	3	Counts toward the minor
MATH 216	Biostatistics	3	Builds on Statistics

Action items

1. Register on November 2 when the window opens. 2. Submit the summer internship application by February 6. 3. Keep cumulative GPA above 3.30 for scholarship renewal.
