

1. WHO WE ARE

The Health Equity Program (HEP) is a Cedarbrook University partnership with three community sites serving Southside Atlanta and East Point. Pre-nursing sophomores and juniors serve alongside RN mentors on blood-pressure screening, diabetes education, flu clinics, and health fair support.

2. HOUR REQUIREMENTS AND RECORDS

Pre-nursing sophomores are required to complete 40 verified service hours per fall term as a condition of the Nursing Pathway Scholarship retention and program progression. The check-in with your program faculty happens 2026-10-17. You must be at 40 hours by 2026-12-05 or have a written catch-up plan on file with the coordinator.

Verified hours are recorded in Salesforce Volunteer_Hour__c. This is the system of record after our 2026-09-30 migration. Earlier records lived in an Airtable base that is being deprecated. If a shift appears only in the Airtable base and not in Salesforce or HubSpot after 2026-09-30, it is treated as unverified and does not count.

3. SHIFT TYPES AND HOUR VALUES

- BP screening at Southside Clinic: 3 hours, weekend
- Flu clinic support: 4 hours, weekend or evening
- Diabetes education tables: 3 or 4 hours depending on site
- Evening intake: 3 hours, Wednesdays
- Weekend health fair: 4 hours (limited slots)

4. HOW TO SIGN UP

All available shifts are visible in the HEP shift-openings CSV that the coordinator posts to the shared drive on the first business day of each month. Slot claims are first-come first-serve via the HEP Slack channel #hep-shifts.

5. WHAT TO WEAR AND BRING

- Cedarbrook navy pre-nursing scrub top
- Closed-toe shoes
- Stethoscope and pen light (BP shifts)
- Photo ID
- Water bottle

6. CONDUCT AND HIPAA

Volunteers may not photograph patients. Do not repeat any patient detail outside the site. Do not friend patients on social media. If a patient asks for medication advice beyond the take-home materials, refer them to the RN on shift.

7. TRANSIT NOTES

Southside Clinic is a 22 minute MARTA ride from Cedarbrook. East Point Community Center is 34 minutes. Reimbursement is not provided.

8. ESCALATION

Coordinator: Marisol Vega, marisol.vega@cedarbrook.edu
Faculty check-in: Prof Linda Okafor, linda.okafor@cedarbrook.edu
Do not email faculty directly about missed shifts without cc to Marisol.
