

Korean American Community Center

Health Fair Booth & Counseling Report — November 14, 2026

Booth Statistics

Metric	Value
Total booth visitors	197
One-on-one counseling sessions	4
Total handouts distributed	300
Gestational diabetes handouts	Sold out at 2:00 PM
Brigham OB follow-up appointments scheduled	2 (December)
Volunteer hours logged	24
Booth staffing	Katie Lee, MD (lead) + 3 volunteers

Structural Notes for Next Year

1. **Handout table position:** Move from back wall to entrance corridor. Visitors missed it until midway through the fair.
2. **Korean-language signage sizing:** Increase from A4 to A2 poster. Several attendees walked past without seeing the OB/GYN booth label.
3. **Counseling curtain material:** Replace the paper partition with a fabric curtain. Sound bleed made two counseling sessions uncomfortable.
