

Desert Vista Family Medicine

5500 West Flamingo Road, Suite 200, Las Vegas, NV 89103. (702) 555-0284.

Laboratory Results, Annual Physical

Patient: Chris J. Murray
Date of Birth: November 12, 1981
Provider: Patricia Reeves, MD
Collection Date: September 18, 2025
Reported: September 22, 2025
Lab: Quest Diagnostics, Las Vegas

Lipid Panel

Test	Result	Reference	Flag
Total Cholesterol	228 mg/dL	Under 200	High
LDL Cholesterol	155 mg/dL	Under 100	High
HDL Cholesterol	44 mg/dL	40 or above	Normal
Triglycerides	168 mg/dL	Under 150	High

Vitals and Other

Test	Result	Reference	Flag
Blood Pressure	138 / 86	Under 120/80	Elevated
Fasting Glucose	97 mg/dL	70 to 99	Normal
Weight	198 lb		Stable
BMI	28.4	18.5 to 24.9	Above

Provider Note

LDL and blood pressure are both elevated. Recommend a 3 month trial of dietary change and increased activity before considering a statin, per patient preference. Reduce saturated fat, lower sodium, and recheck lipids and blood pressure at the next visit. Continue to monitor the lower back pain. Physical therapy referral provided separately. Patricia Reeves, MD.
