## **Re: SBA 7(a) Expansion Loan Pre-Qualification**

Dear Mr. Hayes,

Thank you for your application. Based on the financials and business history you provided for Hayes Auto Works, we are pleased to confirm that your business has been pre-qualified for an SBA 7(a) term loan of up to \$45,000 toward your planned shop expansion.

Our review reflects a single owner LLC operating since 2021 with stable annual revenue of approximately \$336,000 and consistent owner draw. The pre-qualified amount is intended to fund the addition of a second service bay and related equipment, against a total project estimate near \$50,000, with the balance covered by owner contribution.

To proceed to underwriting, please submit your final year to date financial statements and the completed use of funds worksheet no later than October 15, 2026. This pre-qualification is not a commitment to lend and is subject to final credit review and verification.

We look forward to supporting the next stage of your business.

Sincerely,

**Karen Whitfield**
