Continuing Education Requirements

Montana Administrative Rules require 24 continuing education hours per biennial renewal period. Hours must be relevant to the practice of occupational therapy. At least 1 hour must address Montana-specific practice laws and ethics.

|                        |                                        |
|------------------------|----------------------------------------|
| CE Hours Required:     | 24 hours per renewal period            |
| Ethics Hours Required: | 1 hour minimum (Montana practice laws) |
| Renewal Period:        | October 1, 2025 - September 30, 2027   |
| CE Reporting Deadline: | September 30, 2027                     |

Renewal Instructions

To renew your license, log in to the Montana Online Licensing System at [app.mt.gov/solar](http://app.mt.gov/solar). Renewal applications are accepted beginning 90 days before expiration. The renewal fee is \$140.00. Payment may be made by credit card or electronic check.

Failure to renew by the expiration date will result in license lapse. Practice on a lapsed license is a violation of Montana law and may result in civil penalties.
