

WESTFIELD WILDCATS FOOTBALL

Booster Club Newsletter
October 2026 Edition

From the President's Desk

Wildcat families, what a fall it has been. The team sits at 6 wins and 2 losses heading into the final stretch, and the atmosphere at McMillan Field on Friday nights has been the best I have seen in years. Coach McMillan and the staff have these young men playing hard and playing right. Thank you to everyone who has poured into this program with time, money, and lung power from the stands.

Senior Night, Friday October 16

Our biggest home night of the year is almost here. We honor our seniors and their families before the Northwood Prep game on Friday, October 16. Ceremony begins at 6:30 PM, kickoff at 7:00. Senior parents, please return your escort cards to Coach Patterson by Thursday October 15. We need volunteers for the flower handoff and the photo line. Email me if you can help.

Team Dinner Sign Up

Game week team dinners feed 40 hungry players and coaches. We have two Thursdays left to cover, October 15 and October 22. Sign up to bring a main, a side, or dessert at the concession stand or by replying to this newsletter. The booster club reimburses up to \$40 with a receipt.

Fundraising Update

Source	Raised to date
Golf outing	\$5,100
Sponsor banners and program ads	\$4,750
Concessions, home games	\$4,180
Spirit wear	\$1,950

We are on pace to fully fund helmet reconditioning and both senior scholarships again this year. Spirit wear orders for the playoff push close November 2.
