Homestead Exemption Details

The State of Mississippi provides a homestead exemption to qualified owner-occupants of residential property. To qualify, the property must be the primary residence of the owner and the owner must file for the exemption with the county tax collector. Your homestead exemption status is current and your property is coded as owner-occupied.

When the owner reaches age 65, an additional homestead exemption of up to \$75,000 of assessed value may be claimed. Mr. Baker will reach age 65 on January 12, 2029. We encourage you to contact this office at that time to file for the enhanced exemption.

How to Appeal Your Assessment

If you believe the assessed value of your property is incorrect, you may file a formal appeal with the Harrison County Board of Supervisors. The appeal deadline is the last Monday of July for the current tax year. You will need to provide comparable sales data or a certified appraisal supporting your claimed value. Forms are available at the county courthouse or at harrisonms.gov.
