What Is and Is Not Covered

Covered Perils (HO-3 Open Perils on Dwelling)

Your dwelling is covered for all perils except those specifically excluded. This includes fire, lightning, windstorm, hail, explosion, riot, aircraft, vehicles, smoke, vandalism, theft, glass breakage, volcanic eruption, sudden water damage, and other sudden accidental losses.

Notable Exclusions

Flood — not covered. For flood coverage contact the National Flood Insurance Program (NFIP) or a private flood insurer. Given the property location in Woolmarket, flood exposure is moderate. State Farm recommends reviewing FEMA flood maps for your property.

Earthquake — not covered. Mississippi has low seismic risk but earthquake coverage is available as an endorsement.

Gradual deterioration, wear and tear, mold from long-term moisture — not covered. Maintain proper ventilation, especially in the garage workshop and bathroom areas.
