RE: Confirmation of Annuity Commencement — Claim No. CSA-2881-4472

Dear Mr. Baker, this letter confirms that your application for CSRS retirement annuity has been processed and approved effective January 31, 2024. Your 34 years of creditable service with the United States Postal Service qualifies you for a full immediate annuity under the Civil Service Retirement System (CSRS). Congratulations on your retirement.

Your annuity is calculated based on your High-3 average salary of \$58,710.00, your total creditable service of 34 years and 2 months, and the applicable CSRS formula. The result is a gross monthly annuity of \$3,492.00, payable on the first business day of each month by direct deposit to your Hancock Whitney account on file with this office. Please verify that your direct deposit information remains current to avoid interruption of benefit.

Survivor Benefit Election

Your records indicate you elected a full survivor annuity for Doreen Franklin Baker, your surviving spouse. This election reduces your monthly annuity by 10 percent. Should your marital status change, you must notify OPM within 30 days.

Health and Life Insurance Continuation

You have elected to continue your Federal Employees Health Benefits (FEHB) plan and your Federal Employees Group Life Insurance (FEGLI) into retirement. Your premium contributions will be deducted from your monthly annuity payment. If you have questions about your FEHB or FEGLI elections, contact the OPM Retirement Services at the number above.

Your Rights and Responsibilities

As a CSRS annuitant you are entitled to receive cost-of-living adjustments (COLA) each January based on the percentage increase in the Consumer Price Index for Urban Wage Earners and Clerical Workers (CPI-W). The January 2025 COLA is 2.5 percent. Your adjusted gross monthly annuity effective January 1, 2025 will be \$3,579.30.

You are required to report any changes in your mailing address, banking information, or marital status to OPM within 30 days. Failure to report a change in marital status that affects survivor benefit elections may result in an overpayment that must be repaid.

If you return to federal employment you must notify OPM immediately. Working for the federal government after retirement may affect your annuity depending on the position type and the applicable reemployment laws. Part-time or intermittent work for the USPS or any other federal agency must be reported.

Annual Earnings Test — Social Security

As a CSRS retiree you are subject to the Windfall Elimination Provision (WEP) which may reduce your Social Security benefit. Your Social Security Administration benefit estimate takes the WEP reduction into account. For questions regarding the WEP and its effect on your Social Security benefit contact the SSA at 1-800-772-1213.
