

PORCH LIGHT PHOTOGRAPHY SERIES

Project Plan and Creative Outline

Photographer: Larry Michael Rawlings

Conceptual Scope:

This photo series documents porches and stoops across various Charlotte neighborhoods.

Shoots are conducted at the half hour just before the porch lights have to come on, when the sky still holds color and the windows begin to glow.

Project Locations:

1. NoDa (Brevard Street surroundings)
2. Plaza Midwood
3. Optimist Park
4. Historic West End

Logistics:

- Camera: Sony A7 IV with 35mm prime lens.
- Setting: Manual focus, tripod mounted, no artificial flash.
- Duration: Ongoing personal project (1 year in flight).

Creative Consultant:
