Rebecca Anne Price

To be forwarded to current address upon request

Dear Ms. Price,

It is my genuine pleasure to write to confirm that you have successfully completed the full Clinical Pastoral Education Residency Program at Regional One Health, Memphis, Tennessee. Your residency period ran from September 1, 2005 through August 31, 2007, a period of four units of supervised CPE totaling 1,600 direct hours of clinical pastoral care.

Over the course of this residency, you have demonstrated exceptional growth in the following competency areas:

- Pastoral identity and authority: You entered this residency with a strong theological foundation from Memphis Divinity School. You leave it with something more important: the capacity to hold that foundation under pressure without becoming rigid. You know when to speak and when to be still. That is not something I can teach. You found it yourself.
- Cross-cultural pastoral care: Your work on the trauma and emergency units required you to offer care across faith traditions, cultural backgrounds, and languages. You did so with consistent respect, curiosity, and genuine pastoral presence.
- Theological reflection: Your case study presentations throughout the two years were among the most theologically grounded and practically honest I have supervised in my fifteen years as a CPE educator.
- Self-differentiation: You arrived at Regional One with a pastoral nature that sometimes threatened to become over-functioning. You leave with a clearer sense of where Rebecca ends and the patient begins. That distinction will protect you for the rest of your career.

This letter certifies your eligibility to apply for Associate Certified Chaplain status through the Association of Professional Chaplains. I am prepared to write a strong letter of support for your certification application.

You are going to do this work in ways I cannot imagine. Go do it.

With great respect,

Rev. Dr. Thomas Aldridge, DMin, BCC

Director of Clinical Pastoral Education, Regional One Health

CPE Supervisor No.: ACPE-SUP-48291
