- Renter's insurance with a minimum \$100,000 liability limit is required and must name the property as an interested party.

Considering a move

Residents evaluating a different unit, including a layout with a dedicated office room, should notify management by the response date so we can discuss availability in the building or the sister property on Bellevue Way. A transfer within our portfolio waives the early-termination fee.

Response required

To accept, sign and return this offer by December 18, 2026. If we do not hear from you by that date, the unit will be listed for the next leasing cycle.
