Schedule

Time	Activity
8:00 AM	Load-in opens
10:00 AM	Show floor opens to attendees
1:00 PM	Indie spotlight stage (optional 10-min slot)
6:00 PM	Floor closes

Booth logistics

- Bring your own display and a backup build on a separate drive.
- Wired network is provided at the booth; do not rely on venue Wi-Fi for playtest builds.
- A small standee and a wishlist QR card are recommended.
- Power strip and one 6-foot table with two chairs are provided.

Marketing checklist

- Wishlist QR card linking to the Steam page.
- Business cards and a one-line elevator pitch printed at the booth.
- Short looping trailer on a second monitor.
- Collect emails for the newsletter with consent.

Code of conduct

All exhibitors and attendees agree to a respectful, harassment-free environment. Keep content appropriate for a general audience during show hours. Report concerns to any staff member wearing an orange lanyard.

Travel and parking

Exhibitor parking is validated at the south garage for the load-in and event day. The venue is a short ride from downtown Bellevue. This is a confirmed, paid festival booth drawn from the studio festival reserve. The larger PAX West booth is a separate, unfunded item that stays parked until a deal or a strong launch funds it.
