Payment Breakdown

Component	This payment	Notes
Principal	\$757.10	Applied to loan balance
Interest	\$907.90	3.30% on current balance
Principal & interest (P&I)	\$1,665.00	Fixed monthly
Escrow (property tax + homeowner's insurance)	\$1,100.00	Held & disbursed by servicer
Total monthly payment	\$2,765.00	

Reading the payment The \$1,665.00 principal-and-interest is separate from the \$1,100.00 escrow. Escrow already covers the property tax and homeowner's insurance, so those must not be counted again as separate outlays. The all-in payment is \$2,765.00.

Loan Summary

Item	Amount
Outstanding principal balance	\$330,000.00
Original loan amount	\$380,000.00
Principal paid to date	\$50,000.00
Escrow account balance	\$1,840.00
Interest paid year-to-date	\$5,486.00

Escrow Analysis (annual projection)

Escrow item	Annual	Monthly
City & county property tax	\$9,646.00	\$803.83
Homeowner's insurance	\$2,904.00	\$242.00
Cushion / adjustment	\$650.00	\$54.17
Total escrow	\$13,200.00	\$1,100.00

There is no prepayment penalty; additional principal payments shorten the term. Escrow is analyzed annually and any surplus or shortage adjusts the escrow portion of the payment. The current market value of the home is not stated on this statement and should be taken from a market source rather than the tax assessment when gauging equity for the roof-fund decision.

Important Messages

- Autopay from the Webster Bank checking account draws on the 15th; keep sufficient balance.
- Additional principal payments are applied to the balance and shorten the term with no penalty.
- The annual escrow analysis may adjust the escrow portion up or down; the P&I; stays fixed.
- Year-end mortgage interest (Form 1098) is issued each January for the household filing.
