## Annual Premium and Payment Summary

| Coverage                 | Monthly Premium | Annual Premium | Payment Method       |
|--------------------------|-----------------|----------------|----------------------|
| Medicare Part B          | \$174.70        | \$2,096.40     | Deducted from SSA    |
| Humana Supplement Plan G | \$148.00        | \$1,776.00     | Direct debit HWB-CHK |
| Silver Script Part D     | \$22.40         | \$268.80       | Direct debit HWB-CHK |
| Total Insurance Premiums | \$345.10        | \$4,141.20     | —                    |

Your combined Medicare and supplement premiums represent a total annual cost of \$4,141.20. Given that your out-of-pocket medical costs in 2025 were only \$29.38 beyond premiums, your Plan G coverage is performing as designed — protecting you from unexpected large medical expenses. We recommend reviewing your Part D plan each fall during open enrollment to ensure your current prescriptions are covered at the lowest tier.
