Membership Benefits Summary

As a Navy Federal Credit Union member, you have access to competitive savings rates, no-fee checking, auto and personal loan products, and mortgage services. Your membership tenure since October 2019 qualifies you for Preferred Member pricing on select products. Your current Regular Savings account serves as your primary savings vehicle and also functions as a backup overdraft protection source for your linked external account.

Financial Summary — End of Year 2025

Item	Value
Savings Balance (12/31/2025)	\$31,618.05
Interest Earned in 2025	\$282.05
YTD Deposits	\$7,200.00

Navy Federal Products Available to You

Product	Rate (current)	Notes
Regular Savings	1.01 pct APY	Your current account
Money Market Savings	2.25 pct APY	No minimum balance
12-Month Share Certificate	4.50 pct APY	\$1,000 minimum
24-Month Share Certificate	4.35 pct APY	\$1,000 minimum
Personal Loan	8.99 pct APR	Based on credit — up to \$50,000

Your current savings balance of over \$31,000 could benefit from a higher-yield product. A Navy Federal Money Market account earns more than double your current rate with the same liquidity. A 12-month share certificate would lock in 4.50 pct APY for even greater return. We encourage you to speak with a member services representative about your options.

Important Tax Information

IRS Form 1099-INT for tax year 2025 will be mailed by January 31, 2026 and will be available in your online account. The amount of interest income to report on your federal tax return is \$282.05. If you use a tax preparer, please provide this form along with your other income documents.
