Dear Sister Rebecca,

On behalf of the leadership and congregation of Grace Community Church, I want to take this opportunity to formally recognize your extraordinary service to our congregational care ministry in 2025.

You have been a cornerstone of this church since long before your formal professional credentials - since the days you sat in the third pew from the left and sang alto with more conviction than most of our choir. What you bring to our pastoral care team today is not merely competence. It is the fruit of a life given to the service of others.

This letter formally acknowledges your service in the following areas during the calendar year 2025:

- Coordination of congregational care visits to homebound and hospitalized members, with an estimated 42 home or hospital visits made on behalf of Grace Community Church.
- Leadership of the Annual Community Health Fair on August 9, 2025, including emcee duties and coordination of 10 exhibitor tables and four programming sessions.
- Devotional and sermon contributions at Sunday morning services on three occasions, including the November 16 message which was one of the most discussed sermons of our year.
- Ongoing pastoral availability to congregation members in personal crisis, including bereavement follow-up calls and referrals.
- Contribution of \$100 to the Health Fair donation fund and consistent monthly tithe throughout the year.

The church has been blessed to have someone with your clinical training, your pastoral heart, and your radio voice in our family. I do not say that lightly. You have made it easier for people in this congregation to ask for help, because they see in you someone who believes that asking for help is not weakness. That witness alone is worth more than we can measure.

We look forward to continuing to serve alongside you in 2026.

In grace and gratitude,

Pastor William Greer
