Dear Karen,

On behalf of the College of Nursing, I am pleased to reappoint you as adjunct faculty in the Psychiatric Mental Health Nurse Practitioner program for the 2025 to 2026 academic year. Your work with our students, both in the classroom and in clinical supervision, continues to reflect exactly the kind of teaching this program is built on.

Your teaching assignment is as follows.

Spring 2026	Advanced Psychopharmacology
Fall 2026	Cultural Competence in Psychiatric Practice (new course)
Faculty Identification	N00471892
Annual Compensation	\$18,000.00, paid per the faculty pay schedule

Your clinical supervision of PMHNP students will continue alongside the courses above. As we discussed, I would welcome a conversation about expanding your course load in a future term, when your practice schedule allows.

Please confirm your acceptance through the faculty portal. Thank you for your continued commitment to our students.

Warm regards,

Professor Nadine Cherry

Director, PMHNP Program, College of Nursing
