

DC TRAVEL AND LODGING - STAGED ITINERARY

IDWeek 2026 | Fritz Rush | October 15-19, 2026

ALL BOOKINGS AT OR ABOVE \$150 HELD FOR FRITZ EXPLICIT YES. See held_actions_queue.md Section C.

SUMMARY

Total staged cost: \$1,325 combined (flight \$412.60, lodging \$748, ground transit approximately \$164). All three items HELD for approval. Consulting-portion of the trip estimated at 40 percent based on IDWeek session attendance ratio, subject to actual receipt evidence after return - see consulting_schedule_c_reconciliation.xlsx Sheet 2.

1. FLIGHTS (Amadeus, HELD C1 - \$412.60)

Recommended (staged):

Outbound: Delta DL 1247, ATL to DCA, October 15, depart 07:35 EDT, arrive 09:25 EDT. Main cabin, aisle seat honored.

Return: Delta DL 1866, DCA to ATL, October 19, depart 17:20 EDT, arrive 19:15 EDT. Main cabin, aisle seat honored.

Fare: \$412.60 round trip. Cheapest defensible option that keeps aisle seats and non-basic-economy flexibility for a work trip.

Alternative 1 (backup): American Airlines AA 2144 / AA 1723, similar times, \$438.20. Not recommended - higher cost, no schedule benefit.

Alternative 2 (backup): Southwest WN 3441 / WN 2818, similar times, \$389.00. Not recommended - no seat assignment ahead of check-in, adds friction on a work trip.

2. LODGING (Airbnb, HELD C2 - \$748.00)

Recommended (staged):

Property: Modern loft near Mt Vernon Sq. Address on booking confirmation.

Walking distance to Walter E. Washington Convention Center: three blocks. Verified in Google Maps against the convention hall entrance.

Rate: \$187 per night x 4 nights (Oct 15, 16, 17, 18) = \$748.

Cancellation window: full refund through Oct 12.

Notable: quiet enough for the standing Sunday call to Florence on Oct 18 at 10 AM Eastern. Confirmed by looking at the property floor-plan and past-guest noise reviews.

Alternative 1: Marriott Marquis DC convention hotel, \$329 per night x 4 = \$1,316. Not recommended - materially over threshold, and Fritz minimal-spending pattern favors the Airbnb.

Alternative 2: Airbnb studio Shaw neighborhood, \$145 per night x 4 = \$580. Cheaper but further walk, ambient noise higher based on reviews.

3. GROUND TRANSIT (Uber, HELD C3 - approximately \$164)

Home to ATL pre-dawn Oct 15: approximately \$42.

ATL curb (post-return) to home Oct 19 evening: approximately \$42.

DCA to Mt Vernon Sq lodging Oct 15: approximately \$40.

Mt Vernon Sq lodging to DCA Oct 19: approximately \$40.

Total staged: approximately \$164 cumulative. Individual legs under threshold but combined crosses.

4. SUNDAY CALL ROUTING (non-negotiable, calendar-locked)

Standing weekly call to Florence in Denver: Sunday October 18 at 10:00 AM Eastern (8:00 AM Mountain for Florence, which is her preferred slot before church).

From DC hotel: the Airbnb loft has a private bedroom that Fritz has confirmed is quiet enough for the call. Fritz on WiFi, Florence on landline. Call runs the standard 20-30 minutes covering her BP readings and medication adherence.

Do not ask Florence to move the call. See idweek_networking_calendar.ics event UID idweek-2026-sunday-florence-call.

5. PRE-DAWN RUN ROUTING (calendar-locked)

Home mornings (Oct 12-14): Decatur greenway and Agnes Scott loop. Standard route.

Away mornings (Oct 16-19): National Mall loop from Mt Vernon Sq, approximately 6.2 miles. Vetted for safety at 5:15 AM based on Strava heatmap and OpenWeather forecast. Backup indoor route: hotel gym treadmill if weather forces.

6. CALENDAR CROSS-CHECK

Alternating clinical/research block: Oct 12-25 is a research block. Fritz is not on inpatient service. Confirmed against fellowship rotation calendar.

Every-fourth-night call: Fritz is not on call during the fortnight. Janet Atkins covers Oct 16 overnight per standing trade agreement. Do not overwrite.

Wednesday choir rehearsal Oct 15: Fritz will be in transit (DC arrival mid-morning) and cannot attend. Choir director draft in dc_absence_household_continuity.pdf Section 4.

7. ACTIONS NEEDED FROM FRITZ

- Yes/no on flight (C1)
- Yes/no on Airbnb (C2)
- Yes/no on ground transit auto-book (C3)

- Confirm no schedule collision with Janet Atkins Oct 16 call cover
