Tax reporting notes

Life insurance proceeds paid by reason of the death of the insured are generally excludable from the beneficiary's gross income under Internal Revenue Code Section 101(a). The USD 250,000.00 disbursed on April 3, 2022 was reported on Form 712 by MetLife and was not included as taxable income on the beneficiary's 2022 return. Interest earned on the retained balance while sitting in Regions savings is separately reportable on Form 1099-INT each year and flows through TurboTax on the standard schedule.
