

BIRLA INSTITUTE OF TECHNOLOGY AND SCIENCE, PILANI

Deemed to be University under Section 3 of the UGC Act, 1956

International Admissions Handbook | First Degree Programmes | 2027 to 2028 session

Admissions Cell, Vidya Vihar Campus, Pilani 333031, Rajasthan, India | admissions.pilani@pilani.bits-pilani.ac.in

1 Programmes available to international applicants at Pilani campus

Code	Programme	Duration	Award
A1	B.E. Chemical Engineering	4 years	Bachelor of Engineering (Hons.)
A2	B.E. Civil Engineering	4 years	Bachelor of Engineering (Hons.)
A3	B.E. Electrical and Electronics	4 years	Bachelor of Engineering (Hons.)
A4	B.E. Mechanical Engineering	4 years	Bachelor of Engineering (Hons.)
A5	B.E. Manufacturing Engineering	4 years	Bachelor of Engineering (Hons.)
A7	B.E. Computer Science	4 years	Bachelor of Engineering (Hons.)
A8	B.E. Electronics and Instrumentation	4 years	Bachelor of Engineering (Hons.)
AA	B.E. Electronics and Communication	4 years	Bachelor of Engineering (Hons.)
B3	M.Sc. Chemistry	4 years integrated dual degree	M.Sc. (Hons.) + B.E.
B4	M.Sc. Economics	4 years integrated dual degree	M.Sc. (Hons.) + B.E.
B5	M.Sc. Mathematics	4 years integrated dual degree	M.Sc. (Hons.) + B.E.

2 Eligibility for the Foreign Category

Candidates who have passed a public examination equivalent to the Indian 10+2 system with a minimum aggregate of 75 per cent in Physics, Chemistry and Mathematics taken together, and a minimum of 60 per cent in each of these three subjects, are eligible to apply under the Foreign Category. Applicants presenting the WAEC Senior School Certificate must supplement it with Cambridge Advanced Level or the SAT with Subject reasoning to demonstrate 12th-year equivalence. Candidates presenting the SAT alone will be considered on SAT total, with a cut-off of 1450 out of 1600, subject to review by the Admissions Committee.

3 Two admissions pathways

(a) BITSAT pathway. Foreign Category applicants who choose to sit BITSAT compete against other Foreign Category applicants only, not against the domestic category. BITSAT 2027 for the Foreign Category will be conducted online at overseas test centres during 6 to 12 August 2027. Nigerian candidates may sit at the Prometric test centre, Ikoyi, Lagos. Score validity is one admissions cycle. Ranking is by scaled score. Historical Foreign Category cut-offs for Chemical Engineering, Pilani campus, ranged 220 to 260 out of 390 during 2022 to 2025.

(b) Direct Admission by SAT. Foreign Category applicants with a SAT total of 1500 or higher, sat by 1 July 2027, may apply for direct admission without sitting BITSAT. Programme allocation is by SAT total in the order of preference indicated on the application. Direct Admission by SAT closes 15 July 2027.

4 Fees for the Foreign Category, 2027 to 2028 academic year

Component	First semester	Second semester	Annual
Tuition fee, all First Degree programmes	₹2,90,000	₹2,90,000	₹5,80,000
Admission fee, one time on joining	₹45,000	-	₹45,000
Institute security deposit, refundable at exit	₹25,000	-	₹25,000
Hostel rent, twin sharing	₹42,500	₹42,500	₹85,000
Mess advance, actual billed monthly	₹30,000	₹30,000	₹60,000
Medical and student welfare fee	₹8,500	₹8,500	₹17,000
Student activity fee	₹5,500	₹5,500	₹11,000
Books, stationery, coveralls (estimate)	₹9,000	₹6,000	₹15,000
Total, First Year (excluding refundable deposit)	₹4,30,500	₹3,82,500	₹8,13,000
Total, subsequent years	-	-	₹7,68,000

Note. Fees are quoted in Indian rupees. Foreign Category tuition is uniform across all First Degree programmes. There is no differential between Chemical, Mechanical, or Computer Science. Fees are typically revised annually by 4 to 6 per cent. The refundable Institute Security Deposit is returned on graduation net of any dues.

5 Chemical Engineering, first four semesters, course structure

Sem	Course code	Course name	Credit units
I	MATH F111	Mathematics I	3
I	PHY F111	Mechanics, Oscillations and Waves	4
I	CHEM F111	General Chemistry	4
I	BITS F111	Thermodynamics	3
I	ME F112	Workshop Practice	2
II	MATH F112	Mathematics II	3
II	CHEM F110	Chemistry Laboratory	1
II	PHY F110	Physics Laboratory	1
II	BIO F111	General Biology	3
II	CS F111	Computer Programming	4
II	HSS F211	Principles of Economics	3
III	MATH F211	Mathematics III	3
III	CHE F211	Chemical Process Calculations	3
III	CHE F213	Chemical Engineering Thermodynamics	4
III	EEE F111	Electrical Sciences	3
IV	CHE F212	Fluid Mechanics	4
IV	CHE F214	Chemical Engineering Materials	3
IV	CHE F241	Heat Transfer	4
IV	CHE F242	Numerical Methods for Chemical Engineers	3
IV	HSS F241	Effective Public Speaking	2

6 Practice School and industry exposure

The Practice School scheme is a distinguishing feature of BITS Pilani. Practice School I is an eight week residential placement at the end of the second year, and Practice School II is a full semester placement in the fourth year. Chemical Engineering cohorts have been placed with Reliance Industries at Jamnagar and Dahej, Hindustan Petroleum, Tata Chemicals, ITC Foods, Britannia, Godrej Industries, Dr. Reddy's Laboratories, and Aditya Birla Chemicals. Practice School II carries a stipend of INR 30,000 to INR 60,000 per month depending on the host.

7 Merit scholarships available to admitted Foreign Category candidates

Scheme	Value per academic year	Basis
Merit-cum-Need Scholarship, Institute	₹30,000 to ₹2,00,000	Top BITSAT scorers among Foreign Category admits
KK Birla Foundation Merit Award	₹1,50,000	Top ten Foreign Category admits, Pilani campus
Fee waiver, need based	Up to 50 per cent of tuition	Family income under USD 30,000 with evidence
MFC alumni bursary, Africa	₹1,00,000	Nigerian, Kenyan, Ugandan, Ghanaian candidates

8 Application procedure and calendar for September 2027 entry

Stage	Deadline
Online application opens on bitsadmission.com	1 February 2027
BITSAT Foreign Category registration closes	15 June 2027

Direct Admission by SAT applications close	15 July 2027
BITSAT Foreign Category test window	6 to 12 August 2027
Provisional merit list published	22 August 2027
Payment of admission fee to accept offer	By 5 September 2027
Reporting to Pilani campus and orientation	20 to 22 September 2027
Semester I classes begin	23 September 2027

9 Visa and reporting

Successful applicants are issued a provisional letter of admission that can be used to obtain an Indian Student Visa from the High Commission of India, Abuja, or the Consulate General of India, Lagos. The visa is issued for the duration of the programme and must be registered with the Foreigners Regional Registration Office at Jhunjhunu within 14 days of arrival. Hostel accommodation is guaranteed for all four years on the Pilani campus.

Handbook reference BITS-PIL-INT-2027-04. Fees and dates are indicative and subject to Academic Council confirmation. Issued by the Admissions Cell, Vidya Vihar Campus, Pilani.
