

JACKSONVILLE HEART CONFERENCE 2026

Presented by Jacksonville Heart Center and the North Florida Cardiovascular Society

November 14 through November 16, 2026 | JHC Main Auditorium and Symposium Halls A through D

800 Prudential Drive, Jacksonville, FL 32207 | events@jacksonvilleheart.org | Program URL jaxheartconf.org/2026

CONFERENCE OVERVIEW

The 2026 Jacksonville Heart Conference brings together interventional cardiologists, cardiac surgeons, coordinators, and allied cardiovascular professionals across the North Florida region for a three day scientific program spanning transcatheter valve therapies, structural heart interventions, complex coronary work, arrhythmia management, and cardiovascular imaging. The program has been approved for a maximum of 21 hours of AMA PRA Category 1 Credit and 18 hours of ANCC nursing contact credit. Registered attendees may attend any combination of sessions and self attest hours toward their institutional CME reporting on the closing evening of the conference.

CME AND REGISTRATION DETAILS

Registration category	Fee	CME hours available
Physician member	\$495	Up to 21 hours AMA PRA Category 1
Physician non member	\$625	Up to 21 hours AMA PRA Category 1
Coordinator or nurse	\$275	Up to 18 hours ANCC nursing contact
Fellow or resident	\$95	Up to 21 hours AMA PRA Category 1
Industry exhibit only	\$0	Not eligible for CME

The coordinator track sessions on Saturday afternoon and the working lunch on Sunday are designed for study coordinators, research nurses, and regulatory specialists. Coastal Cardiology Partners and Jacksonville Heart Center each hold a table of eight seats for their coordinator teams. Registration includes coffee service, two working lunches, the Sunday reception dinner ticket for physician tier and above, and access to the industry exhibit floor.

CME attestation is completed at the closing plenary on Monday afternoon. Attendees must self attest the number of hours attended and submit the online form before departing the auditorium. A digital certificate is emailed to the registration address on file within 10 business days. The confluence tracker inside Coastal Cardiology captures attendance and updates the running CME ledger for the calendar year.

HOTEL AND TRAVEL

The conference has secured a group rate at the Hyatt Regency Jacksonville Riverfront at \$189 per night through October 15, 2026. Reservation code JAXHEART26. Complimentary shuttle runs between the hotel and the JHC conference venue every 30 minutes from 0700 to 1900. Onsite parking at JHC is available at \$12 per day with validation from the registration desk.

Questions and program updates: events@jacksonvilleheart.org or 904 555 2000 extension 4200. Program subject to speaker availability and final scheduling by the program committee.
