

Tangerine Magazine — Q3 2025 Shoot Brief (ARCHIVE)

Fall feature, deadline October 15, 2025. Status: SHIPPED. Filed for archive.

Issue: Tangerine Magazine, Fall 2025 (Vol 14 Issue 4)

Feature: "Brooklyn Pantry: How a New Generation of Cooks is Restocking the Working Kitchen"

Editor: Priya Shah (Senior Photo Editor), priya.shah@tangerinemag.com

Layout editor: Elena Ruiz

Photographer: Jesse Page Studio (Tangerine masthead)

Shoot dates: September 24 (day 1), October 1 (day 2)

Delivery deadline: October 7 2025 (first round selects)

Brief summary

8-spread feature on Brooklyn working pantries: home cooks, restaurant kitchens, food entrepreneurs across Bedford, Park Slope, Sunset Park, Bushwick. Light is the lead — natural where possible, studio strobes only where coverage is needed.

Spread structure

Spread 1 (cover candidate): Hero pantry still life, single ingredient lead.

Spread 2-3: Home cook profile, Bedford pantry walk-through.

Spread 4-5: Restaurant kitchen profile (Estrela kitchen pulled as the example case).

Spread 6: Food entrepreneur profile (small-batch hot sauce maker).

Spread 7-8: Closing essay frames, market and farmer relationships.

Delivered against brief

8 spreads delivered on time. Cover candidate (chestnut tart) went to cover, masthead-lift. 3 revisions requested on spread 4 (tighter crop), spread 7 (alternate angle), one color note on spread 5. All revisions delivered by Oct 5. Final feature shipped Oct 15 2025 issue.

Day rates (archived)

Day 1 (Sept 24): \$2,200 editorial day rate (Tangerine masthead premium).

Day 2 (Oct 1): \$2,200 editorial day rate.

Retoucher: Caitlin Brody, \$400 flat.

Spread bonus pool: \$500 paid Sept 30.

Total Q3: \$5,300. Tomás commission \$0 (direct relationship; pre-agent).

Lessons for Q4

Spread 5 color issue traced to a CTO gel misapplication on the kitchen pull — flagged for Tangerine winter feature prep to avoid repeat. The Estrela kitchen profile was the most labor-intensive spread; budget extra prep time on any future restaurant-kitchen spread.
