

Property Appraisal Report

4820 Grand River Ave, Detroit MI 48208. Prepared for Natalie Dunn and lender. Appraisal date: 18 September 2026.

This is an independent professional valuation of the six-bay freestanding commercial auto-service building. It is a reference figure prepared for financing. It is not the agreed purchase price. The price that binds the deal is the signed purchase offer, not this appraisal.

Living / gross area	4,200 sq ft
Year built	1968
Appraised market value	309,000 USD

Reconciliation

The reconciled opinion of market value for 4820 Grand River Ave as of the effective date is 309,000 USD. This is a reference valuation only. It is easy to mistake a genuine appraisal for the contract price, so it is stated plainly here: the 309,000 is not the price and does not bind. The binding figure is the 305,000 signed purchase offer. The stale 318,000 opening ask, the 329,000 open-market listing, and any withdrawn draft carry no weight on the agreed price.

This document is an opinion of market value for lending and reference purposes. It is not a contract and does not set the purchase price.
