

Smoky Mountain Renovations

Lakeview Motor Inn — 10-Room Pilot Renovation Bid

Submitted September 2026

RECOMMENDATION: This bid is recommended by the building committee as the lower-cost option with standard fixtures meeting all code and brand requirements.

1. Bid Summary

Smoky Mountain Renovations has submitted this fixed-price bid for the renovation of ten (10) guest rooms at the Lakeview Motor Inn property. The scope covers full interior renovation including flooring, wall finishes, bathroom fixtures, lighting, HVAC unit replacement, furniture, and window treatments.

Item	Amount
Scope	10-room pilot renovation
Per-room cost	\$12,800.00
Total bid price	\$128,000.00
Fixture level	Standard commercial grade
Timeline	8 weeks from notice to proceed
Warranty	2-year workmanship, manufacturer on fixtures

2. Per-Room Cost Breakdown

Each of the ten rooms is priced identically at \$12,800.00. The breakdown by trade category is as follows:

Category	Per Room
Demolition and disposal	\$800.00
Flooring (LVP, commercial grade)	\$1,600.00
Wall prep, paint, and trim	\$1,200.00
Bathroom renovation (standard fixtures)	\$2,800.00

Furniture package (bed, desk, nightstand, chair)	\$1,800.00
Window treatments and hardware	\$600.00
Contingency and general conditions	\$400.00

Total per room	\$12,800.00
----------------	-------------

3. Scope and Exclusions

This bid covers interior renovation only. Exterior work (roof, siding, parking lot) is excluded and would be quoted separately. The bid assumes standard building access during business hours and does not include permits (owner responsibility). Rooms will be taken offline in pairs to minimize revenue disruption.

4. Additional Notes

Smoky Mountain Renovations has completed three similar motel renovation projects in Sevier County over the past five years, including a 24-room project at the Mountain View Inn in Pigeon Forge.

References are available upon request. The company is fully licensed and insured in the state of Tennessee with a Class A general contractor license.

Danny Gibbs at Lakeview has worked with Smoky Mountain on maintenance projects and recommends them based on prior experience.

5. Project Tracking Reference

This bid is tracked in the Airtable project management base as record **recLKBID1** with status 'Recommended.' The ten individual room records (recLK0000 through recLK0009) are each budgeted at \$12,800 and assigned to Danny Gibbs as project owner.
