

EXPORT PROPOSAL

Finca Miles

Single-estate extra-virgin Picual - Baena, Andalusia

The estate

- 35-hectare family olive estate in the Subbetica hills
- Two generations on the same land
- Principally Picual, with some Hojiblanca
- ~11,812 L a year; ~40% premium single-estate
- Small by choice - quality over volume

The oil

Early-harvest premium Picual

- Green, aromatic, peppery; robust early-harvest style
- Cold-extracted; milled within a day of picking
- High polyphenols - above the EU health-claim threshold
- Certificate of Analysis on every premium lot
- Traceable to parcel and pressing

FLAGSHIP

Panel 86.5 / 100

Acidity 0.16%

Polyphenols 612 mg/kg

100%% Picual

Organic from 2027

Current partners

Buyer	Market	Format
Romero Gourmet	Spain (Sevilla)	bulk + 750 ml
Felderhoff Feinkost	Germany (Hamburg)	500 ml tins
Crest and Grove	UK (London)	750 ml specialty

What we offer a partner

- Single-estate traceability and a CoA per lot
- Documented high-polyphenol early-harvest Picual
- Certified-organic oil from 2027 (east grove)
- Small, reliable allocations - supplied well, not over-promised
- A direct relationship with the grower

Next step

We will send a sample pack with tasting notes and the current Certificate of Analysis for your evaluation.

Enquiries are handled directly by the estate - we keep it personal.
