Grant Progress Report

Grant Number	CCF-2023-HI-0047
Project Title	Long-Term Coral Reef Health Monitoring and Community Resilience Assessment
Principal Investigator	Angela Marie Peterson, PhD
Institution	Pacific Reef Research Institute, Honolulu, HI
Grant Period	2023 through 2027 Total Award: \$142,500
Report Period	November 2025 through January 2026
Submission Date	February 28, 2026

Section 1: Project Objectives and Status

Phase III objectives are on track: baseline data established at all sites, early bleaching signals detected and reported, and community outreach programming continuing. Station C (Waikiki Reef) bleaching alert has been formally reported to CCF.

Section 2: Research Activities

November-December 2025: Transect surveys at Hanauma Bay (Stations A-C) and Waikiki Reef (Stations A-C). Lanai Lookout Station A baseline established December 11, 2025 (37.2% live coral, 2.4% bleaching).

Station C bleaching alert: 5.1% in November 2025 rising to 6.2% in January 2026. Exceeds the 5% monitoring threshold. Alert memo filed. Monitoring increased to bi-monthly.

Section 3: Community Outreach

Nov 8, 2025: Ocean Discovery Day Fall at Waikiki Aquarium. 182 attendees; 94% positive; 21 newsletter signups.

Dec 2, 2025: Reef Curriculum Workshop, Kaimana Elementary. 14 educators; 100% excellent.

Dec 20, 2025: Waikiki Reef Sunrise Walk (co-presenter, Surfrider HI). 752 attendees; 40 newsletter signups.

Feb 21, 2026: Community Reef Walk Post-Alert, Hanauma Bay. 163 attendees; 28 newsletter signups.

Section 4: Expenditures

Total expended through January 31, 2026: \$117,440.00

Remaining balance: \$25,060.00 carried forward per grant agreement.

All expenditures comply with CCF cost principles and institutional policies.

Section 5: Publications and Presentations

Peterson AM, Voss E. Coral Cover Trajectories at Oahu Fringing Reefs. Coral Reefs. In press; accepted January 2026.

Hawaii Ocean Sciences Conference 2025: Solo presentation, Waikiki Reef Station C Bleaching Alert.

Section 6: Certification

I certify that the information in this report is accurate and complete to the best of my knowledge, and that all expenditures are consistent with the terms of CCF grant agreement CCF-2023-HI-0047. Research activities comply with DLNR Special Use Permit HI-DLNR-MR-2023-047 and PRRI Institutional Animal Care and Use Protocol.
