Production Schedule

Phase	Timeline	Notes
Glaze sample tile	November 12-20 2025	Client reviews tile before production begins
Throwing and forming	November 2025 - January 2026	All 12 pieces thrown to spec
Bisque firing	January 2026	Bisque kiln load with studio batch
Glazing	Late January 2026	All pieces hand-dipped in Linen Satin Matte
Glaze firing	Early February 2026	Firing FIR-2026-004 - completed excellent
Delivery or pickup	February 2026	Studio pickup preferred; shipping optional

Terms

- The 50% deposit is non-refundable after clay work begins. Work begins after the glaze tile is approved.
- Natural variation in color, surface texture, and glaze character is inherent to hand-made ceramics. Minor differences between the tile sample and finished pieces are expected and not grounds for return.
- If a piece is lost in the kiln or does not meet the studio's quality standard, it will be re-made at no charge. Timeline may extend 4 to 6 weeks.
- All pieces are dishwasher-safe, microwave-safe, and food-safe at cone 6.
- Balance is due before pickup or shipment. Studio does not release work before payment is received.
- Shipping (if selected) is at client's expense and is arranged by the studio with insurance at full declared value.
