
SCHOLARSHIP RENEWAL AND AID SUMMARY

Dear Allen Weber,

This notice confirms the renewal of your partial Harbor Point Scholarship for the 2027 to 2028 academic year, your final undergraduate year. Your aid package combines the renewed scholarship with federal subsidized loans. Details follow.

1. Award Summary

Component	Annual USD	Notes
Harbor Point Scholarship	Covers 60 percent of tuition	Merit renewal
Federal subsidized loan	Balance accrues, deferred	Remainder of tuition
Family contribution	Toward room and board	As able
Work earnings	Barista, term time	Living costs

2. Loan Position

Your cumulative federal subsidized loan balance is approximately \$22,000. These loans are deferred until graduation (2028-05-15) and accrue no interest while you are enrolled at least half time. No payment is due during enrollment.

3. Conditions of Renewal

- Maintain satisfactory academic progress as defined in the catalog.
- Remain enrolled at least half time in a degree program.
- File the renewal FAFSA each year through the scholarship office portal.
- Report outside scholarships and stipends, including the Whitfield award (P01).

4. Disbursement Schedule

Term	Scholarship Applied	Loan Applied	Date
Fall 2027	60 percent of tuition	Remainder	2027-08-25
Spring 2028	60 percent of tuition	Remainder	2028-01-12

5. Cost of Attendance Reference

The published cost of attendance includes tuition, fees, housing, food, books, and personal expenses. Your scholarship reduces the tuition component. Your personal budget for living costs is tracked separately (workbook X01).

6. Whitfield Stipend Note

Your Whitfield Research Fellowship stipend of \$3,000 (reference P01) is treated as taxable income for the 2027 tax year. It does not reduce your need-based aid for the coming year, but you must report it on the renewal FAFSA.

7. Your Responsibilities

- Review this notice and confirm enrollment plans by the start of term.
- Sign any required loan documents through the federal servicer.
- Keep your contact information current in the campus portal.
- Contact the office with questions about appeals or changes in circumstance.

We are glad to support your final year at Harbor Point. Congratulations again on the Whitfield Fellowship, and best wishes for a strong senior year.

Food	3,360	See grocery plan X12
Books and supplies	800	See X01
Personal and transit	2,040	MBTA and personal

9. Appeals and Changes in Circumstance

If your family financial situation changes, you may file a professional judgment appeal with supporting documentation. Appeals are reviewed case by case. Common grounds include a change in family income, unexpected medical costs, or loss of a prior outside scholarship.

- Submit the appeal form through the scholarship office portal.
- Attach documentation for the change in circumstance.
- Allow up to three weeks for review during peak season.
- Continue to meet all standard renewal conditions while the appeal is pending.

10. Key Dates

Date	Item
2027-06-30	Confirm enrollment plans for fall
2027-08-25	Fall disbursement to student account
2027-10-01	Renewal FAFSA opens for next cycle
