8. Course Descriptions, Senior Year

PS 490 Senior Thesis Seminar

A year-long supervised research seminar culminating in the senior thesis. Students develop a proposal, an interim chapter, and a final manuscript under a faculty advisor. Allen's thesis is supervised by Prof. Lena Marsh (thesis code THS-PS-2028).

PS 410 Comparative Politics II

Advanced study of institutions and political behavior across democracies, with a focus on policy outcomes and federal structures.

DA 350 Data Visualization II

Applied visualization using R and Python, including spatial data and reproducible reporting. The final project examines urban heat patterns and zoning overlap.

PS 480 Senior Capstone Workshop

A professional development workshop covering graduate applications, writing for policy audiences, and presentation skills.
