

DENTAL VISIT SUMMARY

Patient
Allen Weber
DOB: 2004-10-12

Insurance
Family dental plan
Status: Active

1. Reason for Visit

Routine six-month cleaning and examination. No reported pain or sensitivity. Patient reports good home care and an interest in keeping the routine on schedule around a busy term.

2. Findings

Area	Finding	Action
Cleaning	Light plaque, mild staining	Scaling and polish completed
Cavities	None detected	Monitor
Gums	Healthy, no bleeding	Continue flossing
X-rays	Bitewing, no concerns	File for records
Wisdom teeth	Erupted, aligned	No action

3. Recommendations

- Continue twice-daily brushing and daily flossing.
- Maintain the six-month recall schedule.
- Use fluoride toothpaste; consider a night guard only if grinding appears.
- Limit acidic drinks; rinse with water after coffee.

4. Treatment Plan

Item	Status	Next Date	Est Cost USD
Routine cleaning	Completed	2027-07-15	Covered
Examination	Completed	2027-07-15	Covered
Bitewing x-rays	Completed	2028-01	Covered
Fluoride treatment	Optional	As needed	18.00

5. Next Appointment

The next routine visit is scheduled for 2027-07-15. A reminder will be sent through the patient portal. Please arrive ten minutes early if any insurance details have changed.

6. Account Summary

Description	Amount USD
Services this visit	Covered by plan
Patient balance	0.00
Optional fluoride (if elected)	18.00

7. Provider Notes

Patient is in good oral health with no active concerns. Maintain current routine. No follow-up required before the next recall. This summary is provided for the patient's records and is not a bill.

Dr. Michael Osei, DMD
Beacon Hill Family Dental

Patient: Allen Weber
Visit date: 2027-01-14

8. Oral Health Plan

The plan below supports the patient's goal of keeping a simple, low-cost routine through a busy academic year. Nothing here requires special products beyond a standard fluoride toothpaste and floss.

Habit	Frequency	Note
Brushing	Twice daily	Soft brush, fluoride paste
Flossing	Daily	Evening preferred
Cleaning visit	Every six months	Next 2027-07-15
X-rays	Annually	Next early 2028
Coffee rinse	After each cup	Plain water

9. Product Recommendations

- Fluoride toothpaste, any major brand with the dental association seal.
- Soft-bristled toothbrush, replaced every three months.
- Standard waxed floss or floss picks, whichever is easier to keep up.
- Optional: an over-the-counter fluoride rinse during exam season.

10. Visit History

Date	Type	Provider	Outcome
2025-07-16	Cleaning and exam	Dr. Osei	No issues
2027-01-14	Cleaning and exam	Dr. Osei	No issues
2027-07-15	Cleaning and exam	Dr. Osei	Scheduled

11. Insurance Notes

Preventive visits are covered at no cost under the family dental plan, including two cleanings and one set of bitewing x-rays per year. Optional treatments such as fluoride application may carry a small out-of-pocket cost. Coordinate any changes to coverage before the next visit.
