## **Re: Main Street Lease Renewal, 122 South Main Street**

Dear Patricia,

Thank you for sending the renewal proposal dated January 12. I have reviewed it carefully with our accountant, and I am writing to respond formally.

The proposed increase of 15 percent would raise the monthly rent from 6,200 to 7,130, an additional 11,160 over a year. I value this location and intend to stay, but that figure is more than the Main Street operation can absorb without cutting hours, and I am not willing to do that to my staff.

I am proposing a renewal at a 7 percent increase, which sets the monthly rent at 6,634. In addition, I ask that annual increases for years two through five be capped at 3 percent so that we both have predictability. In exchange I am glad to commit to a five year term and to continue maintaining the storefront as I have since 2007.

This salon has been a steady, on time tenant for over eighteen years, and I would like to keep that relationship working for both of us. I am happy to meet in person to finish the numbers.

Please consider this a formal counter to the January 12 proposal. Nothing here is final until we both sign.

Sincerely,

Cecilia Anne Burnett
