Notice of Nomination, Community Leadership Award

Dear Ms. Burnett,

On behalf of the Naperville Small Business Alliance, it is my pleasure to inform you that you have been nominated for the 2026 Community Leadership Award. This award recognizes an Alliance member whose business has shown sustained commitment to local employment, mentorship, and the character of our downtown.

Your nomination cited the growth of Golden Prairie Nails from a single Main Street salon into three locations across Naperville, Aurora, and Wheaton, the more than thirty jobs you have created, and your reputation among fellow Main Street owners for fairness and discretion.

Award recipients will be announced at the Annual Members Dinner on October 10, 2026 at the Naperville Riverwalk Grand Hall. You and a guest are invited. Please confirm your attendance with our office by October 3, 2026.

Congratulations on this well earned recognition.

Warm regards,

Helen Marsh
Chair, Awards Committee
