

Great Lakes Woodturning Symposium

Exhibitor Entry Confirmation

Entrant: Charles Ferguson

Guild: Western Reserve Woodturners Guild

Phone: (440) 555-0137

Email: charles.ferguson@Greenridertech.co

Confirmation date: October 1, 2026

Event date: October 10, 2026

Thank you for entering this year. Your entry is confirmed. Please read the drop off and pickup instructions, as the loading dock procedure changed this year.

Entered piece

Field	Detail
Piece identifier	WT-104
Title	Black walnut hollow form
Species	Black walnut
Dimensions	10 by 4 inches
Finish	Oil and wax
For sale	No, display only
Insured value	540.00

Fees

Item	Amount
Exhibitor entry fee	45.00
Single piece floor fee	15.00
Total paid	60.00

Payment received in full. No balance due. Fees are not refundable after the entry deadline but the piece may be withdrawn at any time before judging.

Drop off

Bring the piece to the side loading dock on October 9, 2026, between three and seven in the evening. Use the freight entrance off the lower lot, not the main doors. Staff will tag the piece and give you a claim slip. Keep the slip, you need it for pickup.

Pickup

Pickup is October 11, 2026, between four and six in the evening at the same dock. Pieces are released only against the claim slip. Pieces left after closing go to the guild storage room and must be arranged for separately.

Floor rules

Display only pieces sit on numbered pedestals. Do not move or rearrange pedestals. Photography of your own piece is fine. The symposium floater covers each piece for its declared insured value while on the floor, which is why the value above must be accurate.

Schedule for entrants

Time	Item
Friday evening	Drop off and tagging
Saturday morning	Floor opens, judging begins
Saturday afternoon	Demonstrations and vendor floor
Sunday morning	Awards announced
Sunday late afternoon	Pickup

Questions

Reach the entry desk through your guild contact. Walter Brennan is the guild liaison this year and has the committee on speed dial. We look forward to seeing the hollow form on the floor.

Confirmation issued to Charles Ferguson, piece WT-104.
